

GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

R&B Deptt-State Roads- Stage-I sanction towards the preconstruction activities for the work of Construction of HLB across West Thammileru in KM.0/10 of extension road starts at KM.62/6 of Vijayawada – Visakhapatnam road and meet at KM.33/6 of Nuzvidu – Eluru road in West Godavari District” under Normal State Plan i.e. PLAN (MDR) for the year 2012-13- Administrative Sanction-Accorded – Orders - Issued

TRANSPORT, ROADS & BUILDINGS (R.IV) DEPARTMENT

G.O.Rt.No. 791

Dated: 20-07-2012

Read the following:

1. From the E-in-C(R&B) Roads, Hyd., Lr.No.2776/
Rachabanda/Eluru/DEE3/AEE/2010, Dt:24-03-2012,
- 2.Govt.Memo.No.995/R.IV(1)/2012-2, Dt.28.04.2012.
3. From the E-in-C(R&B) Roads, Hyd., Lr.No.2776/
Rachabanda/Eluru/DEE3/AEE/2010, Dt:17-5-2012 &
21-06-2012

ORDER:

In the letter 1st read above, the Engineer in Chief (R&B) Roads, Hyderabad, has stated that the proposal for the work of Bridge Across Thammileru linking Senivarapupeta is located at Km 0/10 of Extension road connecting Km 62/600 of old Vijayawada-Visakhapatnam road with Km 33/600 of Nuzvid – Eluru road. The Extension road is an important MDR connecting West Godavari District & Krishna District. This road connects Eluru i.e. District head quarters, Vijayawada, Visakhapatnam road (SH) and Nuzvid – Eluru besides connecting number of villages. As such this road is very useful for transporting agricultural and aqua products to nearby market in Eluru and Nuzvidu apart from connecting number of schools, colleges and hospitals.And also there is an existing low level causeway of 4 X 4.00m with 6.00m carriageway at this location. This causeway was constructed very long back. Due to it's narrow width traffic jams are occurring frequently.

2. The Engineer in Chief (R&B) Roads, Hyderabad, has further stated that due to inadequate vent way, the vents are getting frequently choked up with dead and fallen trees and other material during flood times resulting in inundation of upstream areas of this causeway. On several occasions to avoid this situation, the left bank of the Thammileru near Marketing yard had to be breached by the Irrigation department in emergencies. Further there is a water storage Reservoir at Nagireddigudem at about 50 Km from this low level causeway. When the reservoir gates are opened, the causeway overflow with flood water resulting in traffic disrupting forcing the people to travel 5 Km more in another route. Hence to overcome all these problems, it is proposed to construct a High Level Bridge with sufficient vent way and adequate carriageway width.

3. In the letter 3rd read above, the Engineer in Chief (R&B) Roads, Hyderabad, has stated that the bridge across Thammileru linking Senivarapupeta work requires Rs.100.00 Lakhs towards preconstruction activities such as Land acquisition, Survey, Investigation (including soil exploration) etc., The total cost of the work including preconstruction activities and construction of the bridge is Rs.900.00 Lakhs.

4. The Engineer in Chief (R&B) Roads, Hyderabad, has therefore, requested the Govt. to accord administrative sanction, as Stage-I, for Rs.100.00 Lakhs towards the preconstruction activities for the work of "Construction of HLB across West Thammileru in KM.0/10 of extension road starts at KM.62/6 of Vijayawada – Visakhapatnam road and meet at KM.33/6 of Nuzvidu – Eluru road in West Godavari District" under Normal State Plan under the head of account "5054-04-GH11-MH800-SH(07)-530-531" i.e. PLAN (MDR) for the year 2012-13.

(PTO)

5. After careful examination of the matter, Government hereby accord administrative sanction to the work as Stage-I, for Rs.100.00 Lakhs (Rupees One hundred lakhs) towards the preconstruction activities for the work of "Construction of HLB across West Thammileru in KM.0/10 of extension road starts at KM.62/6 of Vijayawada – Visakhapatnam road and meet at KM.33/6 of Nuzvidu – Eluru road in West Godavari District" under Normal State Plan under the head of account "5054-COL on Roads & Bridges -04-District and Other Roads- MH-800-Other Expenditure -GH11- Normal State Plan –SH(07)-Major District Roads - 530-Major works 531- Other Expenditure" i.e. PLAN (MDR) for the year 2012-13.

6. The Engineer -in- Chief (R&B) Roads, Hyderabad, shall take further action in the matter.

7. These orders issue with the concurrence of Finance (Expr.PW)Department vide their U.O.No.17893/658/A2/Expr.Pw/2012, dated:09-07-2012.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
